

VENTURING® BSA

Summer Venturing Symposiums

In preparation for

Catalina Venture Challenge 2007

Learn best techniques for three key disciplines used in the Catalina Venture Challenge. Start now in preparing your crew for next year's challenge!

No Experience? Not sure what's involved? Have some fun and find out.

Kayaking

When: Saturday August 5, 2006 8:30 am - 12 noon

Where: Sea Base, Pacific Coast Highway Newport Beach

What: Learn best team kayaking skills & endurance kayaking techniques.

All participants must be BSA/Venture certified swimmers

**For sign-ups, questions, and more information,
contact Doug Spindler 714-801-9809.**

This flyer also available at: <http://venturing.ocbsa.org>

Previous Symposiums held: (We missed you!)

Mountain Biking

Was held: Saturday July 1, 2006 8:30 am - 12 noon

Where: Crystal Cove Park, Laguna Beach (meet at Visitor's Center)

What: Learn best up & down hill techniques, team tie & ride.
Bring your mountain bike, helmet, water & energy snacks.

Geo-caching

Was held: Saturday July 15, 2006 8:30 am - 12 noon

Where: El Camino Real Elementary School, Irvine
(At Yale & Karen Ann in Irvine, South of Walnut)

What: Learn and practice actual Geo-caching techniques using GPS.

If you missed these events and still want to brush up on your skills for the next Catalina Venture Challenge, contact Steve Moody, Event Chairman at: stevemoody@aol.com or call 949-766-6867
